

Unique Co-housing Opportunity in Cambridge K1 Development

cambridge

**Co-housing is neighbourly living:
sharing a vision and investing in a community
for mutual and greater benefits.**

Is it for you?

- a new sustainable community
- involvement in house design
- new homes with low utility bills at market prices
 - shared community spaces
 - benefits of community living.

**Create your own high standards in sustainable living
through active involvement in K1's development.**
